

BLACK MATERNAL HEALTH WEEK 2019

State: Alabama

Point of Contact: Danica Davis, Baobab Birth Collective

Email: D.cookdavis@gmail.com

*See below for event listing
description.*

Black Maternal Health: It's a Community Issue

New and expectant families are invited to learn more about the Alabama and national maternal health crisis, especially as it relates to Black birthing persons. Black doulas and lactation professionals will share information about local resources and the work being done to combat this health crisis.
