## ABOUT THE 2ND ANNUAL BLACK MATERNAL HEALTH WALK

Thank you for your interest in participating in and supporting the 2023 Black Maternal Health Walk taking place on **Saturday, April 15th in Atlanta, GA!** The Black Maternal Health Walk is organized by the **Black Mamas Matter Alliance, Inc. (BMMA)** in partnership with **SisterSong, Inc.** and the **Atlanta Doula Collective (ADC)** and takes place during BMMA's national Black Maternal Health Week (#BMHW23) Campaign.

This year's walk will include a combination of wellness activities, maternal and reproductive health education sessions, music, and prizes for Black mamas and families from the Atlanta community. BMMA, SisterSong, and ADC are also encouraging people in other cities and regions across the country to participate by walking a mile in support of Black Maternal Health!

## ABOUT BLACK MATERNAL HEALTH WEEK (#BMHW23)

Founded by BMMA, **Black Maternal Health Week (BMHW23)** intentionally coincides with National Minority Health Month and the International Day for Maternal Health and Rights. Black Maternal Health Week is a week of awareness, activism, and community building intended to:

- Deepen the national conversation about Black maternal health in the US;
- Amplify community-driven policy, research, and care solutions;
- Center the voices of Black Mamas, families, and stakeholders;
- Provide a national platform for Black-led entities and efforts on maternal health, birth and reproductive justice; and
- Enhance community organizing on Black maternal health.

The #BMHW23 theme is ***"Our Bodies Belong to Us: Restoring Black Autonomy and Joy."*** This year's theme speaks to our strength, power and resilience, and our unassailable right to live freely, safely, and joyfully. The events and programming being planned throughout #BMHW23 will fully embody this theme and offer opportunities to engage in activities and conversations that honor the values and traditions of the reproductive and birth justice movements. **Learn more at [blackmamasmatter.org/bmhw](https://blackmamasmatter.org/bmhw)**

# 2023 BLACK MATERNAL HEALTH WALK PARTICIPANT GUIDE

Whether you're planning to walk with us in-person in Atlanta, or would like to walk a mile in support of Black Maternal Health from where you are, we've created this official Participant Guide with key information as a supportive resource.

Read further for suggestions on how you can take part in this year's Black Maternal Health Walk. We've also prepared a few sample social media posts and shareable graphics to encourage others in your network to come along!

## WAYS TO PARTICIPATE

*Want to walk a mile (or more) in support of Black Maternal Health? Here are a few ideas:*

- **Coordinate a group walking activity**
- **Take your dog on a stroll around the neighborhood or to the local dog park**
- **Organize your co-workers and take a walk during your lunch break**
- **Take a walk along a local hiking trail**
- **Hop on the treadmill and walk for 1 mile or more**
- **If you live a mile or less away, consider walking to work and/or school**
- **As an alternative to walking, do some simple body movement activities such as stretching and/or breathing exercises**

*Be sure to take photos and live or pre-recorded video of yourself engaging in any of the above activities and tag the official hashtags **#BMHW23** and **#BMHW23Walk!***
